Information Pack

Dear Candidate,

Thank you for requesting information about our Teacher of Graphics – Maternity Cover post, commencing on 13th April 2026 or, as soon as possible.

We are a forward thinking, selective state grammar school with academy status, and belong to the King Edward VI Foundation of schools and Multi Academy Trust. We are incredibly proud to have been named as the Sunday Times State Secondary School for 2025, alongside the State Secondary School for Academic Excellence in the West Midlands, 2025. These accolades are borne out of the dedication of each and every member of our school community: staff, students, governors, parent and carers. This is an inspirational place to work and learn, and we hope you are inspired to consider applying for a position in our school.

Aside from the desire for our students to excel academically at KEVI Camp Hill School for Girls, we place great importance on their happiness and the development of them as individuals. By providing a full range of quality experiences both in and outside of the classroom, our students develop confidence, resilience and learn to make healthy choices - all of which helps to prepare them for life beyond school. Every single member of staff and the student body play their part in adding to the history of the school. I am privileged to lead an outstanding team of colleagues. Their hard work, extensive subject knowledge and commitment to ensuring the academic results are outstanding, enabling our students to make excellent progress as they move through the school.

Our challenging, well-structured curriculum is designed with able students in mind and encourages them to develop their intellectual curiosity and use higher level thinking skills. We are extremely proud of the breadth of our Curriculum at all Key Stages and believe it offers students genuine choice. Whilst Maths, Biology and Chemistry are very popular subjects at A Level, we have thriving Arts, Languages and Humanities subjects which are also popular choices for our students. Our extra and supra-curricular offerings are wide and varied and cater to all manner of tastes. Our school House System is woven through all aspects of school life and is just one example of the way in which we both support students pastorally and also develop student leadership.

A major strength of our school is the level of pastoral care. Students are extremely well supported by their Teachers, Form Tutors and Heads of Year. At Camp Hill Girls, we deeply value wellbeing and recognise that good mental health, along with a safe and supportive environment, are essential for building resilience and helping our young people thrive. We are committed to deepening our understanding of trauma and attachment theory and are proud to be a Trauma Informed Attachment Aware (TIAAS) school. Our students demonstrate excellent behaviour and attendance and are highly motivated, eager, and engaged in all aspects of school life.

Camp Hill Girls is culturally rich and diverse, welcoming students from an extraordinary range of backgrounds. As a school community we recognise, celebrate, respect and delight in our differences, and use them as opportunities to learn and become more tolerant about the world around us. This is a caring school which Ofsted recognised, making reference to the fact that “understanding of equality, diversity and inclusion permeates all aspects of school life”. We truly believe in the experience we have on offer at Camp Hill Girls.

We believe KEVI Camp Hill School for Girls is an inspirational place to be and invite you to come and see for yourselves. We very much look forward to welcoming you to our school.
